
David Musumeci Wins Accolade Competition

For Immediate Release

FAIRFAX, Va./EWorldWire/April 11, 2008 --- David Musumeci of D.P.M. Imaging Productions LLC has won a prestigious Honorable Mention from The Accolade Competition. The award was given for David Musumeci's exciting experimental film, "American Dreamers," which is the first full length feature film to use DLP backgrounds for the entire film. American Dreamers features exceptional visuals, story line, indie talent and one of the best movie soundtracks in years.

"Winning an Accolade is truly one of the greatest highlights of my film career. I'm so proud of the talent and crew who poured their blood, sweat and tears into this film. The message of this film is a simple one but a strong and universal one. Never give up on your dreams and no dream is too big, because with a lot of hard work dreams do come true. I must thank the incredibly creative people who had the unconditional faith to work with me on this production," said David Musumeci.

The Accolade recognizes film, television and videography professionals who demonstrate exceptional achievement in craft creativity, and those who produce standout entertainment or contribute to profound social change. Entries are judged by highly qualified professionals in the film and television industry. Information about the Accolade and a list of recent winners can be found at '<http://www.theaccolade.net>'.

In winning an Accolade, David Musumeci joins the ranks of other high-profile winners of this internationally respected award. Thomas Baker, Ph.D., who chairs The Accolade, had this to say about the latest winners: "The Accolade is not an easy award to win. Entries are received from around the world. The Accolade helps set the standard for craft and creativity. The judges were pleased with the exceptionally high quality of entries. The goal of The Accolade is to help winners achieve the recognition they deserve."
