STEIN will have their film "LUCIA NO BESA A NADIE" ("LUCIA KISSES NO ONE") screened at THE DOWNTOWN FILM FESTIVAL L.A. on FRIDAY AUGUST 21st at 9:30pm at THE AT&T CENTER THEATER in DownTown Los Angeles.

This film, a 2009 ACCOLADE COMPETITION WINNER and recipient of the prestigious AWARD OF MERIT, is an exceptional and exciting thriller (based on true events), full of twists and turns until the very end. It is driven by a riveting storyline played seamlessly and effortlessly by the cast (PAULIE ROJAS as Lucia, EMANUEL GIRONI as Rafa, and YENIFFER BEHRENS as Jordana).

It also doubles as a socially conscious film, exposing the latent effects of child abuse, incest and domestic violence and the repercussions it shadows on its victims as adults.
