

Accolade Winner Gains Wide Distribution

(La Jolla, CA, 05/04/07) MERCY was acquired for domestic and international distribution last week by Uearthed Films. MERCY will be released on DVD in rental and retail stores by the end of the year. Stephen Biro, President of Uearthed Films, described MERCY as, "The kind of movie that grabs you by the pants and won't let go." Uearthed will handle international sales through its partner company Cine Sales.

In other news, MERCY will have its theatrical premiere at the Loft Cinema in Tucson, starting Friday June 22nd thru Thursday June 28th. Look for other theaters over the summer.

Also, this week Carol Anne Gayle and Gary Shannon were honored in a special ceremony at the Lake Charles Tourism and Convention Bureau where they received their Accolade Awards of Excellence for Production Design and Lead Actor.
