

## **The WGL Million Dollar Shootout Wins Accolade Award**

**ORLANDO, FL—April 9, 2007 – WGL Entertainment Holdings, Inc. (OTC BB: WGLT)** announced today that its reality show the WGL Million Dollar Shootout (MDSO) has won Honorable Mention for the reality show genre in the 2007 Accolade Competition. The MDSO, hosted by John O’Hurley, features five teams of four golfers each competing for a \$1,000,000 prize. The amateur golfers of varying skill levels are assisted by professional lifelines, which include PGA Tour stars Fred Funk and Mark Calcavecchia and LPGA stars Cristie Kerr and Carin Koch.

“This award solidifies what we set out to produce, mainstream entertainment for the 55 million golfers worldwide and build a brand franchise for many years to come”, said Mike Pagnano, Executive Producer of the MDSO. The Accolade recognizes film, television and video professionals who demonstrate exceptional achievement in craft and creativity, and those who produce standout entertainment or contribute to profound social change. Entries are judged by highly qualified professionals in the film and television industry. Information about the Accolade and a list of recent winners can be found at [www.accoladecompetition.org](http://www.accoladecompetition.org).

In winning the Accolade, WGL Entertainment joins the ranks of other high-profile winners of this internationally respected award. Thomas Baker, Ph.D., who chairs the Accolade, had this to say about the latest winners, “The Accolade is not an easy award to win. Entries are received from around the world. The Accolade helps set the standard for craft and creativity. The judges were pleased with the exceptionally high quality of entries into this year’s competition. The goal of the Accolade is to help the winners achieve the recognition they deserve.”

WGL Entertainment Holdings, Inc., through its subsidiary WGL Entertainment is the producer of the WGL Million Dollar Shootout Reality Television Series and several other made for T.V. sports entertainment events scheduled to be produced in 2007 and beyond.
